

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT TACOMA

MICHAEL A. JACKSON,

Plaintiff,

v.

TAYLOR YOUNG *et al.*,

Defendants.

Case No. C07-5480RBL/JKA

ORDER ON PENDING
MOTIONS

This Civil Rights action has been referred to the undersigned Magistrate Judge pursuant to Title 28 U.S.C. § 636(b)(1)(B). Before the court are three filings by plaintiff that may be addressed at this time (Dkt # 46, 51, and 52). The plaintiff's motion for the court to take notice of two exhibits, (Dkt # 46), is ripe for review.

Mr. Jackson asks the court to take notice of a grievance he filed and of his August 2006, work record. The motion is **DENIED**. These documents may be relevant at some point in the litigation, but the court is not in a position to rule on the admissibility of evidence without a motion they relate to pending before the court. Plaintiff has filed another motion asking the court to take notice of a letter from Dr. Young (Dkt # 52). This motion is **DENIED** for the same reasons. These documents will remain in the file

1 and may be cited to by either party.

2 Plaintiff has also filed a motion asking for a “rule 16 pre trial conference” (Dkt # 51.) The motion
3 is **DENIED**. Plaintiff may conduct discovery, but a pre trial conference is not warranted at this point in
4 time.

5 Plaintiff has one other motion pending. Plaintiff’s motion for a mental health examination, (Dkt #
6 47), is noted for February 15, 2008, and is not ripe for review at this time.

7 The Clerk is directed to send a copy of this Order to plaintiff and remove Dkt. # 46, 51, and 52
8 from the court’s calendar.
